Apr 12, 2018 El Capitan Yosemite has a lot of what you'll need to prepare for your first climb up El Capitan, including short practice aid and free routes.. 11 Oct 03, 2018 Peter Croft, 58, who completed the landmark free solo of the 1980s—Yosemite's 1,000-foot Astroman—never seriously contemplated El Capitan, but he knew somebody would eventually do it.. El Capitan offers a rare type of camping experience You can sleep right on the beach.

Before you go, you'll want a good resume of basic aid climbing skills and the ability to climb up to 5.

Climbers come from across the globe to challenge themselves on the 3000 foot walls of El Capitan.. You don't even need an airbed underneath you because the sand is so soft In the morning you get up, throw on your swimsuit, and dive into the warm water.
